Fall 2025 Catalog

NEWTON
PUBLIC SCHOOLS

Superintendent
Dr. Anna Nolin

sept - dec 2025 fall catalog

letter from the executive director

Dear NCE Community Members,

As we go to print, I am pleased to say that your local community ed is thriving. We have a balanced budget, increased enrollment, and exceptional staff and instructors. We thank this unique community—NCE students and families, city councilors, PTOs, NPS staff, and school committee members—for rallying to support programming that grows with you and your family, from kindergarten to retirement!

Whether it's chatting at a village day, volunteering to teach a class, participating in market research, or registering for a class, we appreciate you. Here's to another great season of growth and community.

See you in class!

Kate Carpenter Bernier
Executive Director
Newton Community Education of Newton Public Schools
Learning that grows with you and your family

*This season we'd like to extend a special remembrance for Barbara and Philip Carvey,
beloved parents of NCE staff member Sarah Housman.*

before you register

How to Register

-  To register online, visit newtoncommunityed.org then filter or search for classes you'd like.
-  To register by phone, call (617) 559-6999 during business hours and let us know what class you're trying to register for.

Information May Be Updated

Dates, times, and other details may be updated after this catalog goes to press. Please double check course listing online at newtoncommunityed.org before registering.

Registration Fee

A \$9 registration fee is charged once per session for classes that meet more than once.

You do not pay the fee for single-meeting classes—unless you also register for another class in the same session. Registration fees are non-refundable.

No Class Dates & Alternate Schedules

Classes will not be held during Newton Public Schools vacations or holidays. For details, visit www.newton.k12.ma.us/calendar. Some classes may have additional "no class" dates beyond NPS vacations and holidays. These dates will be listed in the descriptions.

The following no class dates apply to all programs:

- September 23
- October 2
- October 13
- November 4
- November 11
- November 26 - 28
- December 24 - January 2
- January 19
- February 16 - 20
- April 3
- April 20-24
- May 25
- June 19

arts & crafts

Some classes require materials, as noted in the description or online. We suggest you wait until closer to the class start date to buy and keep your receipt in case of cancellations.

Learn to Draw!

Jack Neylan

Anyone can draw—really! Drawing is the most accessible form of visual art, both gratifying and challenging. You'll learn to see and interpret the world through line, shape, texture, composition, shadow, and light. These basics help in painting, illustration, web design, and more. Each week features a new still life, with homework and critiques.

A315-F25 | \$289

8 Tuesdays @ Newton South High School
5:30 PM – 7:15 PM | September 30 - December 2

A315-F25-1 | \$299

8 Thursdays @ Russian School of Math
10:00 AM – 12:00 PM | October 9 - December 4

Learn to Draw: Part II

Jack Neylan

Ready to take your drawing skills to the next level? If you've taken a drawing class before and want to refine your technique, join us to build confidence and enhance your artistic abilities! Improve your proportions, shading, or overall composition and grow as an artist.

A499-F25 | \$299

8 Wednesdays @ Newton North High School
7:30 PM – 9:15 PM | October 8 - December 3

Charcoal Portraiture

Jack Neylan

Draw portraits that capture both likeness and personality! Use charcoal to explore line, shadow, and modeling techniques to create expressive portraits. Our instructor will guide you through facial anatomy and proportions, and help you create a master copy of portraits by John Singer Sargent or Nicolai Fechin. Get personalized feedback to elevate your skills and achieve your art goals!

A371-F25-5 | \$225

8 Mondays @ Newton North High School
5:30 PM – 7:00 PM | September 29 - November 24

don't see what you're looking for?

We love hearing from community members! If you reach out with interests and help with enrollment, we'll program a class. Email us at nce-staff@newton.k12.ma.us to start!

Watercolor for Beginners

Jack Neylan

Learn fundamental and advanced techniques through instructor demos, hands-on exercises, and constructive critiques. Develop your unique style in an environment that encourages personal expression. New and returning students are welcome.

A450-F25 | \$299

8 Wednesdays @ Newton North High School
5:30 PM – 7:15 PM | October 8 - December 3

Advancing with Watercolors

Jack Neylan

This class is perfect if you have some watercolor or drawing experience and want to continue to develop your skills. Learn design, composition, and technique through weekly projects, demonstrations, homework reviews, and practice time. This class encourages individual creativity. New and returning students are welcome.

A722-F25 | \$299

8 Mondays @ Newton North High School
7:15 PM – 9:15 PM | September 29 - November 24

Botanical Drawing

Jack Neylan

See the world in a new light and then draw it. Come explore the beauty of botanical drawing, inspired by nature's wonders. From flowers to seed pods, we'll capture organic objects with careful observation. Enhance your drawing skills, mastering shape, texture, and proportion. Leave with a portfolio of fine art or prints. All levels welcome, new and returning students.

A144-F25 | \$225

8 Thursdays @ Zervas Elementary School
7:45 PM – 9:15 PM | October 9 - December 4

A144-F25-1 | \$245

8 Thursdays @ Russian School of Math
10:00 AM – 12:00 PM | September 30 - December 2

art & crafts continued...

Studio Painting: Acrylic & Oil

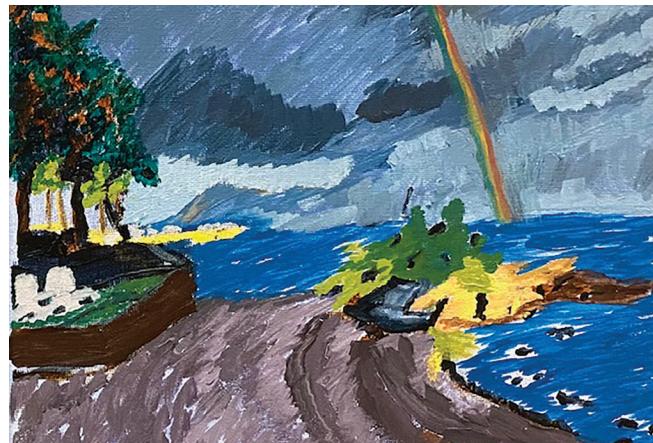

Zhanna Cantor

After a short demonstration to get you started, you'll work independently, painting in oil or acrylic from an image of your choice. You'll work at your own pace, developing your own style as you learn about composition, value adjustment, and color-mixing techniques. At the end, we'll share our work with an informal gallery. All levels welcome. *Note: A materials list is available online.*

A893-F25-5 | \$320

8 Mondays @ Newton North High School

6:30 PM – 8:30 PM | September 29 - November 24

Acrylic Painting

Jack Neylan

Artists love acrylic paints for many reasons: they're water-based (no toxic solvents), dry fast, and offer versatile effects. Learn foundational skills like setting up your palette, color mixing and theory, and composition. Classwork includes exercises in observational painting from still lifes, photos, and portraits.

A190-F25-5 | \$299

8 Tuesdays @ Newton South High School

7:30 PM – 9:30 PM | September 30 - December 2

Landscape Painting

Zhanna Cantor

Using acrylic or oil, craft original artworks from images of open fields, sea, rocks, or woods. Our instructor will share their tips & tricks on composition, value adjustment, and color mixing techniques. Work at your pace, developing your unique style. Showcase your achievements in an informal display at the last class. All levels welcome.

A152-F25-5 | \$320

8 Wednesdays @ Newton North High School

6:30 PM – 8:30 PM | October 8 - December 3

Pastels: Basics to Brilliance

Jack Neylan

Explore the vibrant world of soft and oil pastels in this workshop for all skill levels. Learn techniques, applications, and creative possibilities, from basics to advanced methods. Topics include color theory, composition, blending, layering, and texturing. Each lesson helps you build skills to create stunning artworks.

A493-F25-5 | \$255

8 Thursdays @ Zervas Elementary School

6:00 PM – 7:30 PM | October 9 - December 4

★ NEW

Silk Expressions

Nicole Donson

Learn silk painting with dyes! Begin by painting a silk sun catcher on a hoop using watercolor and resist techniques for stained-glass effects. Next, hand-paint a silk scarf with steam-set dyes, experimenting with color blending, ombré, resist, salt, and alcohol effects. Finally, create a silk painting on a wooden stretcher frame. *Note: \$70 materials fee payable to the instructor in the first class.*

3 Tuesdays @ Newton South High School

6:30 PM – 9:00 PM | November 18 - December 2

classes for adult learners

art & crafts continued...

Glass Fusing: Sushi Set

Michel L'Huillier

Design and create a sushi set with glass fusing. You will learn how to use glass powders, stringers, and frits as you have fun playing with shapes, colors, and textures. Your sushi set may consist of a big square plate (8" x 8"), long channel plate (4" x 13"), two individual dishes (6" x 6"), and/or one deep dipping sauce dish (3" x 3"). Use your custom creations for sushi, cheese and crackers, desserts, and more! *Note: A \$155 materials fee for the basic set is payable to the instructor at the time of the workshop.*

N878-F25 | \$89

1 Tuesday @ Newton South High School
6:30 PM – 9:30 PM | October 7

Glass Fusing: Menorah & Mezuzah

Michel L'Huillier

Learn glass fusing basics as you craft Judaica. Experiment with glass sheets, frits, powders, glass cutting, and stringers as you design a Menorah (with guidance on candle cup placement), a mezuzah with a ceramic fiber mold for the scroll space (scroll not included), and a "shin" symbol. *Note: \$145 materials fee payable at class start.*

N785-F25 | \$89

1 Tuesday @ Newton South High School
6:30 PM – 9:30 PM | November 18

Painting Through Glass

Irina Tolmач

Glass painting is a very unique and meditating type of painting. Vivid, bright and translucent colors help you to create beautiful paintings on the framed glass. Flowers, landscape, still life—try to create any of those with a new type of media. You can choose one 8x10, 8x8 or 5x7 frame. No experience necessary—you just need to allow yourself to enjoy that colorful adventure. *Note: Supplies provided.*

N905-F25 | \$95

1 Wednesday @ Newton North High School
6:30 PM – 8:45 PM | November 5

Handmade Harvest: Autumn Wreaths

Lucinda Chrislip, Derby Farm Flowers & Gardens

In this hands-on class, you'll learn easy techniques to craft a wreath using dried flowers, foliage, and accents like pine cones, acorns, or other natural finds. A perfect way to add an original, autumnal flair to your decor! *Note: Supplies are provided but feel free to bring garden scissors, shears, or personal touches.*

G896-F25 | \$99

1 Tuesday @ Off-site
5:30 PM – 6:30 PM | October 7

Handcrafted Soaps

Jeff Klein

The first soaps were likely made by accident—lard spilled on a cooking fire, reacting with wood ash. While saponification has since been perfected, the basics are the same. Join us to learn two soap-making techniques using coconut, olive, and palm oils, plus optional additives like shea butter and lavender. You'll make 10+ bars to pamper yourself or give as gifts. *Note: Bring a large mixing bowl.*

N151-F25 | \$165

2 Wednesdays @ Newton North High School
6:30 PM – 9:00 PM | November 12 - November 19

Vintage Designer Costume Jewelry

Yaffa Willner

Do you have costume jewelry passed down from your mother or grandmother? These pieces may be worth more than you think! Join us as we explore vintage and designer costume jewelry while learning how to identify unique designer markings. Bring your favorite pieces—you might uncover hidden value and discover treasured gems!

A742-F25 | \$59

1 Tuesday @ Newton South High School
6:30 PM – 8:30 PM | October 28

Grow a Garden in Glass

Lucinda Chrislip, Derby Farm Flowers & Gardens

Terrariums are self-regulating, miniature ecosystems in glass containers. Design your own lush landscape and take home a beautiful piece of nature to brighten your space. We'll provide plants, soil, stones, a container, and tools. Feel free to bring your own container, gardening gloves, and snips. It's a creative way to reconnect with nature!

N817-F25 | \$99

1 Tuesday @ Off-site
5:30 PM – 6:30 PM | October 28

art & crafts continued...

Cabinetmaking & Woodworking

Garrett Tingle & Michael Gimbrire

Once you've learned the fundamentals of cabinetmaking and woodworking, you can build almost anything. Learn the proper use of both hand and power tools, safety precautions, and how to navigate in a woodworking environment. Beginning students will learn the basics by fabricating a modest project, such as a bookshelf, coffee table, cutting board, or Adirondack chair. The project will be decided on by the group with instructor guidance. Returning students will build on their acquired skills and work towards independence as they progress through the program. *Note: You supply the wood for your project. A materials list will be discussed in class.*

N134-F25 | \$425

8 Wednesdays @ Newton North High School

6:00 PM – 8:30 PM | October 8 - December 3

N134-F25-1 | \$425

8 Mondays @ Newton North High School

6:00 PM – 8:30 PM | September 29 - November 24

Relief Block Printmaking

Anne Nydam

Did you try linoleum block printing in high school, or maybe you've never had the chance? In this fun and hands-on class, you'll learn to carve and print using rubber—a softer, safer, and easier material than linoleum or wood. Create everything from custom note cards to limited edition artwork while mastering a range of techniques. Whether you're new to printmaking or looking to refine your skills, join us to unleash your creativity, improve your skills, and have a blast!

A939-F25 | \$185

4 Tuesdays @ Newton South High School

6:30 PM – 8:30 PM | October 7 - October 28

Meditative Art

Lauren Comando

Start slow and create amazing, non-representational art with Zentangle®—a relaxing form of meditation. Using simple lines, build complex black ink patterns on white tiles, guided step-by-step. Add shading to make your designs pop. No erasers, no mistakes—just mindful creativity. All levels welcome! *Note: A \$5 materials fee is payable to the instructor in class.*

N872-F25 | \$119

3 Tuesdays @ Newton South High School

6:00 PM – 8:00 PM | November 18 - December 2

MEET THE INSTRUCTOR

Lauren Comando is a retired Newton teacher and local artist whose work has been featured around Newton. In her classes, she shares her love of making, curiosity, and creativity.

★ NEW

Make Your Own Journal: Create, Capture & Inspire

Lauren Comando

Creating a journal by hand is a rewarding and fulfilling experience. In this workshop, you will learn to craft a 20-page, double-stitched pamphlet book featuring a durable batik cover and an optional innovative closure—all completed in a single session. Whether you use it as a handmade notebook for reflections, creative notes, life documentation, task organization, lists, or daily journaling, your journal will be a truly unique creation. *Note: A \$5 materials fee is payable to the instructor in class.*

The Beatles: Their Music and Impact

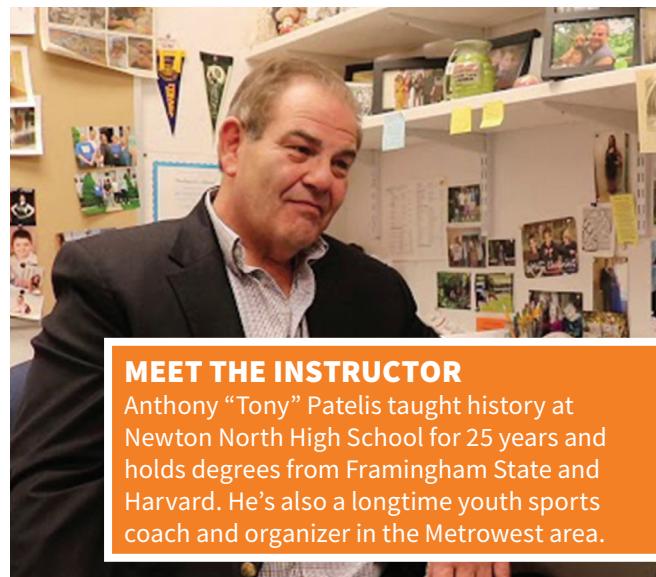

Anthony Patelis

On February 9, 1964, The Beatles captivated 73 million viewers on The Ed Sullivan Show, changing music and culture forever. With 600+ million records sold, they remain the best-selling act of all time. They revolutionized rock and roll, bridging the generational gap and reshaping popular music. In this class, we'll explore their music, the stories behind iconic songs—like how Strawberry Fields was inspired by John Lennon's childhood—and their impact on fashion, trends, and pop culture.

H416-F25 | \$150

6 Mondays @ Newton North High School

6:30 PM – 8:00 PM | September 29 - November 10

MEET THE INSTRUCTOR

Anthony "Tony" Patelis taught history at Newton North High School for 25 years and holds degrees from Framingham State and Harvard. He's also a longtime youth sports coach and organizer in the Metrowest area.

The JFK Assassination: Conspiracy or Lone Gunman

Anthony Patelis

On November 22, 1963, President John F. Kennedy was assassinated in Dallas. While the government blamed Lee Harvey Oswald, his CIA ties and FBI watchlist status have fueled decades of conspiracy theories. This class explores Oswald's background, key evidence, and the investigation's unresolved questions.

Lincoln: The Man and the Myths

Anthony Patelis

Abraham Lincoln, the 16th U.S. president, led the nation through the Civil War and is often regarded as a near-legendary figure in American history. But who was he really? Would his views on race and social progress hold up today? Did his decisions truly earn him his revered status? In this class, we'll explore both the facts and myths surrounding Lincoln, examining how his successes and failures shaped his presidency. Through analysis and discussion, you'll gain a deeper understanding of Lincoln and the turbulent times in which he lived.

**Music & Poetry: Light in Darkness**

Leslie Tannenwald

Find hope and healing through music, poetry, and writing. This engaging, apolitical class explores artistic expression, offering a creative outlet for pain, stress, or change. Discover how expression helps process emotions from any struggle. Engage with songs, poems, and writing exercises to transform experiences into art. Featuring poet Rachel Korazim and music by Jane Bordeaux and Eyal Golan, it reminds us that amid despair, there is hope.

H418-F25 | \$1184 Mondays @ Newton North High School
7:05 PM – 8:35 PM | October 20 - November 10**Robert Frost: America's Philosopher-Poet**

Tracy Marks

Robert Frost—widely regarded as America's most beloved poet—wove the tragic realities of his personal life into poetry that elevated the everyday. With a naturalistic style and deep philosophical insight, he described poetry as “a first form of understanding.” In this course, we'll explore Frost's world and examine a dozen of his poems. Special focus will be given to two of his most frequently misinterpreted works: Stopping by Woods on a Snowy Evening and The Road Not Taken—the latter often called the most misunderstood poem in America.

H771-F25-5 | \$852 Tuesdays @ Online
6:45 PM – 8:45 PM | November 18 - November 25**Journal Writing for Personal Growth**

Tracy Marks

Journal writing can be an enjoyable, constructive means of gaining personal insight to help us deal with life's challenges and awaken to new possibilities. Led by a counselor and self-help author, we will use structured exercises to reawaken our muses and uncover our sources of personal fulfillment. Each week on Zoom, we will delve into our feelings, thoughts, experiences, and visions of our future, optionally sharing excerpts from our writing in a supportive environment.

Italian: Beginner III

Giovanni Palmarini

In this course, you'll deepen your knowledge of how to speak, listen, read and write in Italian about a variety of new topics including traveling through Italian cities, asking for/giving directions, talking about holidays and the weather, while mastering the present and discovering the past tense. For students who have attended at least Beginner 1&2 or equivalent (~25 hours of instruction).

L472-F25-4 | \$199

8 Thursdays @ Russian School of Math
11:05 AM – 12:20 PM | October 9 - December 4

Italian: Intermediate I

Massimo Laurora

Continue to practice your Italian while delving deeper into grammar basics. Focus on irregular verbs, adverbs, pronouns, and the present perfect tense. Practice speaking through reading and listening exercises, with cultural insights. *Required books: Prego!: An Invitation to Italian by Graziana Lazzarino and an Italian dictionary.*

From Newton to Sicily

This past April, thirteen travelers joined NCE's Adult & Travel Programmer, Robin, for an unforgettable 8-day journey through Sicily. Highlights included exploring the slopes of Mt. Etna, touring one of the island's oldest wineries, taking part in a hands-on cooking class, and visiting remarkable historical sites throughout the region.

Advancing with Astrology

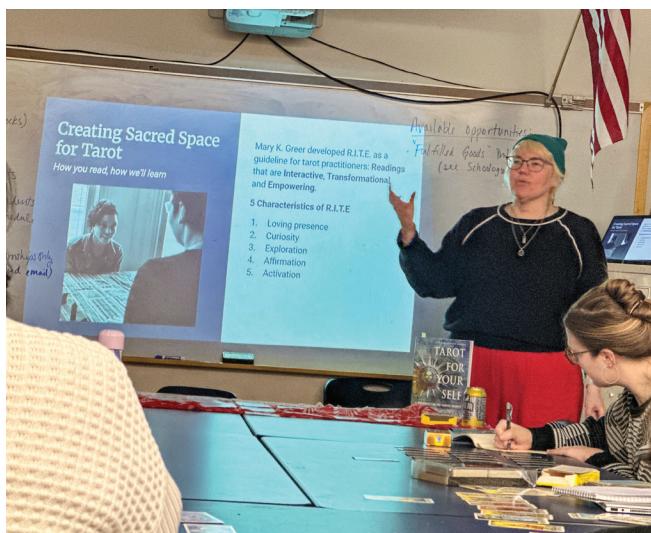

Laura Campagna

Are you ready to delve the mysteries of your horoscope? Astrology is an oracular practice in which the birth chart speaks. You'll learn to delineate a chart, divine your story, and construct your narrative for self-empowerment. You'll also explore transits, aspect patterns, and synodic cycles. The movement and positions of celestial bodies can profoundly impact your love life, career, friendships, and more. If you have a basic understanding of planets, signs, and aspects and are looking to take your astrology studies a step further, join us to gain additional insight on how astrological events can forecast and impact your life.

Guided Adventures for Curious Travelers — Near and Far

From the vibrant streets of Lisbon to the hills of Sicily, our trips have brought NCE travelers together to learn, explore, and connect. Whether you're interested in art, history, food, or culture, our group travel experiences are thoughtfully planned and led by expert guides. There's still time to join one of our upcoming adventures!

Escape to Norway: Fjords, Culture & City Charm

September 8 - September 15, 2025

Discover the best of Norway with NCE on a one-of-a-kind adventure through its dramatic landscapes and vibrant cities. You'll stroll the lively streets of Oslo, take in sweeping views on hikes to waterfalls, and cruise past towering cliffs in the iconic fjords. In Bergen, explore the colorful Bryggen district, browse local shops, and enjoy fresh seafood straight from the harbor.

The Civil Rights Journey

October 23 - October 26, 2025

Visit the cities and landmarks that shaped the struggle for justice, from the streets of Selma to the museums of Montgomery. Walk across the Edmund Pettus Bridge, hear powerful firsthand stories from veteran activists, and engage with the Equal Justice Initiative's work connecting past and present. This journey offers a deep, meaningful look at America's ongoing pursuit of equality, justice, and civil change.

Vibrant Cuba: Journey Through Color & Culture

November 3 - November 8, 2025

Discover the vibrant soul of Cuba on a journey through its colorful streets, rich history, and lively culture. We'll uncover Cuba's heritage by exploring historic synagogues, churches, museums, and vibrant local communities. Delight in authentic cuisine, embrace time-honored traditions, and immerse yourself in the island's captivating blend of history, culture, and faith.

Visit newtoncommunityed.org/adults/travel-and-tours/ to learn more!

"From hiking along the winding Sicilian coast, to cooking dinner in a centuries old farmhouse in the Agrigento countryside, traveling to Sicily with NCE was a joy! The itinerary was planned meticulously and included so many fascinating places that I would not have found on my own. Our guide was very knowledgeable and the hotels were comfortable, elegant and in great locations. Thank you NCE for doing all the planning and allowing us to enjoy the sights and tastes of Sicily along with a terrific group of travelers."

Sheryl Kalis & Adam Steinberg, NCE Travelers

Stay tuned for more travel opportunities!

We're working on exciting new trips: Spain, Croatia, Vietnam, Memphis, and Nashville! Sign up for our travel email list online to be the first to know.

Clubs & Classes for Young Learners

Kids can do our clubs and their school's after-care program!

We asked. You answered. Now we're putting your feedback into action—with fresh clubs, clearer communication, and more of what matters.

- **Longer Club Hours**

Most clubs will run until 4:30 or 5:00 — giving working families more flexibility at pickup.

- **Full Semester Sessions**

Clubs start in mid-September. Enroll for 10 to 12 weeks for a predictable schedule and best value, or enroll by the session (session 1: mid Sept - late Oct, session 2: early Nov - mid Dec).

- **Stable Pricing**

Fees remain consistent with past years and reflect updated club lengths.

New clubs are still being added—check online for details!

Don't see your child's school listed? We welcome them to join clubs at other schools. Snack and play time are built into the start of each club to support transitions between schools.

Would you like NCE clubs at your school? Please reach out to us directly or through your PTO. We are building relationships so that we serve each school community well. Your feedback helps guide where and what's next!

MEET YOUR NEW COMMUNITY INNOVATION LEADER

Sarah Housman, NCE's former Summer Camp Program Coordinator, is now leading the innovation for kids clubs. She has a background in child development and psychology, and a decade of experience working with children and families. Sarah lives in Newton with her husband, four kids, and six ragamuffin cats.

Buildwave | A hands-on building game!

Buildwave | Grades K -5

Buildwave is a creative building program that feels like a video game! Over the course of multiple sessions, students create with over 50 different building materials, including Lego®, PlusPlus®, and custom-made Buildwave materials. As your child creates with wave after wave of new objects, they build creative confidence, become better collaborators, and encounter design and engineering fundamentals in a memorable way.

Swimming Lessons - Level 1: Introductory Beginner

Kristen Smith and NNHS Girls Swim & Dive | Ages 4 - 14

This is an introductory beginner class and will cover basic water safety, getting comfortable with the water, floating on front and back, introduction to combined leg and arm movement, introduction to blowing bubbles, and submerging face.

5 Saturdays @ Newton North | 10:15 AM - 11:00 AM
September 13 - October 11 | \$225

Swimming Lessons - Level 2: Independent Beginner

Kristen Smith and NNHS Girls Swim & Dive | Ages 4 - 14

This is an independent beginner class and will cover basic water safety, swimming with face in the water, learning to swim independently (with little assistance), introduction of technique, and basic strokes.

5 Saturdays @ Newton North | 10:15 AM - 11:00 AM
September 13 - October 11 | \$225

The teachers were organized, friendly, and great around children. They did an AMAZING job!!!!

Swimming - Level 3/4: Intermediate/Advanced

Kristen Smith and NNHS Girls Swim & Dive | Ages 4 - 14

For intermediate swimmers, we cover water safety, swimming independently, deep end swimming, introduction to complex strokes, technique work, and breathing techniques using tools like kick boards. For advanced swimmers, we focus on advanced water safety, complex stroke techniques, intro diving, stamina, long-distance swimming, and flip turns. Improve your skills and confidence in the water with expert guidance!

5 Saturdays @ Newton North | 10:15 AM - 11:00 AM
September 13 - October 11 | \$225

Would you like to do yoga, but are concerned about cost? Through a partnership with NCE, Down Under is offering a limited number of memberships to teens and adults who qualify. Just apply through our Scholarship link online or contact the NCE office for more details!

Diving Lessons

Kristen Smith and NNHS Girls Swim & Dive | Ages 8 - 14

This program is a great way to try diving for the first time or refine your diving springboard technique. The Newton North facility provides two diving boards, lots of space for drills, and an agitation system for anyone learning new dives. We'll cover basic diving, introduction to diving board skills, and back and front dives.

5 Saturdays @ Newton North | 10:15 AM - 11:00 AM
September 13 - October 11 | \$225

Intro to C-H-E-E-R!

Diane Sinanian | Grades K - 5

Led by the current Head Cheer Coach for the Newton Mustangs, this club is perfect for beginners. Kids will learn the basics of cheerleading: moves, chants, and routines while building teamwork and confidence in a fun environment. Students will also be encouraged and guided to foster team spirit. C-H-E-E-R your way into fall!

9 Mondays @ Angier | 3:00 PM - 4:30 PM
September 15 - November 17 | \$405

clubs & classes for young learners

visual arts

Comics & Digital Animation

CinemaKidz | Grades 1 - 4

Learn the fundamentals of shot composition, storyboarding, and visual storytelling by creating your own comic book and animation! You'll develop drawing skills while drafting an original story on paper as you use each panel and page to balance art and text for maximum impact. You'll design original characters, practice drawing techniques, and bring your comic to life in Procreate. Finally, you'll explore frame-by-frame animation to turn your story into a short animated film.

5 or 10 Thursdays @ Burr | 3:00 PM – 5:00 PM

September 18 - October 30 | \$300

November 6 - December 18 | \$300

September 18 - December 18 | \$540

No class September 25 and December 4

Cinema Kitchen

CinemaKidz | Grades K - 2

Produce and star in your own cooking show! In this creative class, kids will design their show's look, cook fun recipes, and film their own episodes. Inspired by shows like Iron Chef or Nailed It, participants will cook, direct, and edit. Recipes include veggie sushi, pizza, and desserts. Meals will be rated on smell, color, ingredient, and nutritional value. *Note: Due to safety restrictions, children will not be eating the food they create.*

6 or 12 Fridays @ Cabot | 3:00 PM – 5:00 PM

September 19 - October 24 | \$360

October 31 - December 12 | \$360

September 19 - December 12 | \$720

Weird Science Television: Anything is Possible!

CinemaKidz | Grades K - 2

Put on your lab coats and secure your goggles—it's time for some wacky science with CinemaKidz! From mixing magic potions and making a slime monster come to life with stop motion, to building a cardboard invention to showcase them—anything is possible on Weird Science Television! Working together in lab teams, kids will learn, then demonstrate mind-blowing experiments and more for their kid-run science show. Using their science skills, these creative kids will then create their very own Bill Nye-inspired TV show.

6 or 12 Wednesdays @ Countryside | 12:30 PM - 2:30 PM

September 17 - October 22 | \$360

October 29 - December 10 | \$360

September 17 - December 10 | \$648

★ NEW

Sports Broadcasting & Photography

CinemaKidz | Grades 3 - 5

Step into the exciting world of sports media! Plan, film, and edit sports video projects while mastering accessible broadcast tools and techniques. Learn on-camera skills, teleprompter use, play-by-play commentary, multi-camera live production, athlete interviews, sports photography, and podcasting. Finish with a portfolio of standout projects and skills that go beyond the game.

5 or 10 Tuesdays @ Bowen | 3:00 PM – 5:00 PM

September 16 - October 21 | \$300

November 18 - December 16 | \$300

September 16 - December 16 | \$540

No class October 28

Space Animations

CinemaKidz | Grades 1 - 4

Plan, build, and film space and Star Wars-inspired stop-motion animations designed to look like Hollywood productions! Get ready to invent and build your own aliens, characters and sets out of wood, wire, paper mache and other materials. Using professional software, you'll film and edit your animated tales and learn how to combine a live action video they film. Design costumes, act in your own projects and finally put everything together for one long-featured project.

6 Mondays @ Mason-Rice | 3:00 PM – 5:00 PM

September 15 - October 27 | \$360

November 3 - December 8 | \$360

September 15 - December 8 | \$648

financial aid

Financial aid is available for all who qualify under NPS Income Guidelines. Apply at newtoncommunityed.org/financial-assistance. Questions? Email nce-scholarship@newton.k12.ma.us.

policies

Access

Our classes are open to everyone from all communities.

We are Inclusive

We welcome students of all races, ages, genders, sexual orientations, gender identities, religions, abilities, statuses, and every other category protected by federal or state law. Our goal is to provide safe, accessible, and comfortable classes for all.

Students Who Need Additional Support

We are committed to an inclusive learning environment for all students, including neurodivergent students and students with other disabilities. Please email nce-staff@newton.k12.ma.us to share any information you feel will help your child to be successful in our classes. Our program coordinator Sarah Housman will reach out to discuss details as needed.

Age Requirements

Adult classes are open to students 16 years of age and older, except where noted online and in the catalog. We do occasionally make exceptions; call the NCE office to inquire. Age requirements for Kids classes are listed per class.

Financial Assistance

We strive to make our classes accessible to all. Financial assistance is available for all Newton residents and NPS students (regardless of residence) who qualify based on the NPS free & reduced lunch income guidelines. A short online form is available on our website. Please apply by September 15 for fall scholarships, January 15 for winter scholarships, and March 15 for spring scholarships. Summer scholarships are on a rolling basis. Priority will be given to applicants who submit all required documentation and apply by the deadline. If you miss the deadline, call the NCE office to inquire if it is still possible for apply for yourself or your child. If you have questions, contact us at nce-scholarship@newton.k12.ma.us.

Changes

We may cancel under-enrolled classes. Occasionally, we may need to change times, dates, or instructors. Any such changes would be communicated with the class. We do not offer refunds for date or instructor changes beyond our control, e.g. rescheduled class dates due to instructor illness or NPS closure.

Gift Certificates

Gift certificates are available in any amount and can be used for any NCE class. Email us at nce-staff@newton.k12.ma.us to purchase one.

Format Change

Should COVID-19 or other circumstances necessitate, a limited number of sessions of your in-person class may be moved online. You will be notified of any such change and no refunds will be offered for temporary format changes. If circumstances necessitate your class be moved online permanently, you will be offered the option for a refund.

Trial Classes and Prorating

We do not offer trial classes at this time. We also do not prorate fees for classes or clubs.

Meeting Links & Supplies

For classes that meet online, we send links via email three business days before class begins. If you did not receive your link or list of class materials, your email server may be blocking our messages. Please check your Spam and Promotions folders. You are responsible for notifying us at least one business day in advance so we can send you all the information you need for a successful class experience.

One Person Per Computer

Your registration in an online class is just for you. Please register individually if more than one person will be using your screen.

Troubleshooting Online Classes

We strongly recommend that you test your meeting platform in advance as we cannot offer refunds for last-minute technical difficulties or late arrivals.

Weather Cancellations

In inclement weather, call our weather hotline at (617) 559-6993 to find out if your class is running. If your class is canceled, we will notify you of the makeup date as soon as possible. We cannot offer separate makeup dates for individual schedule conflicts. We do not provide refunds for weather-related date changes.

Waitlist Status

If the class you want is full, sign up for the waitlist! It's free, and you can always turn down a spot if it's offered to you.

Refunds/Withdrawals

You may withdraw from an Adult class three business days before the start date printed in the catalog, and from a Kids school year class seven business days before the printed start date to receive either a refund minus a \$15 processing fee or a credit-on-account (no fee). Beyond these dates, no credits or refunds will be given. The registration fee is not refundable. Email withdrawal requests to nce-staff@newton.k12.ma.us during business hours; requests that come outside of those hours will be considered on the next business day. There are no partial refunds for student absences or late arrivals.

Transfers

We may be able to offer transfers between classes in the same term for a \$15 processing fee, as long as the transfer is requested before the start of class. For language classes, we do not charge fees for transfers between levels within the first two class meetings.

Registration Fee

We charge a \$9 registration fee per person per session unless registering for a single session class.

Self-Dismissal

Students in the 3rd grade and up can self-dismiss from our classes. Students younger than third grade can be picked up by adults on the authorized pickup list, or by a sibling who is in the 3rd grade and above. Written permission from a parent/guardian is required and can be done through the registration process. Students 6th grade and above are assumed to self-dismiss unless the guardian specifies otherwise.

Behavior Policy

We want all children to be successful and safe in all of our classes. We ask our instructors to be clear with expectations and to deliver curriculum in an engaging way. We ask that students be respectful to their peers, instructors, class materials, and class space whether online or in-person. If your child is exhibiting challenging behavior, we will try to help your child re-engage appropriately. If we are unsuccessful in helping your child re-engage, we will strategize with you about the best way forward and hope to come up with a positive solution, which may include class withdrawal. Refunds are not given to families of children who need to leave a class due to an inability to engage appropriately. We ask students to follow NPS' online practices and guidelines which are found on the NPS website.

Permissions

We may occasionally post student work to our website or take pictures or videos of students in our classes for use in print and electronic promotional materials. Your enrollment in a class indicates your approval for this.

Recording

To preserve privacy, we do not allow students to take video or audio recordings of our classes.

Late Fees

Please respect our staff and pick your child up on time. A fee of \$25 will be charged for each late pickup. After three late pickups, you will be asked to have a conversation with our office staff and action may be taken up to and including withdrawal of your child from the program with no refund.
